TOGAF® Certification for People

Training Course Accreditation Conformance Statement Questionnaire

April 2014, Version 1.4.1

1 Introduction

This form contains a series of questions that need to be answered. Please complete ALL the fields in the questionnaire below to produce a Conformance Statement for your organization's TOGAF Training Course. Your completed form must be submitted to the Certification Authority as part of your application for accreditation. Please note that all information in this Conformance Statement will appear on the public Accreditation Register, except for Revision History, which shows the changes in this Conformance Statement from previous versions and is contained at the end of this document.

Upon acceptance, the details of this Accredited Training Course (ATC) will appear on the Accreditation Register of the certification site.

3 General Course Information

3.1 Relationship to Other Courses

If this Training Course is operated under the same quality system as a TOGAF Training Course that you provide that is already accredited, or for which accreditation is in process, please identify that course here:

TOGAF 9 Certification Training

Rationale:

Course providers may wish to accredit several courses that are operated under the same quality system. The Certification Authority need only assess the quality system once.

If this Training Course uses the same training materials as another TOGAF Training Course you provide that is already accredited, or for which accreditation is in process, please identify that course here:

TOGAF 9 Certification Training

Rationale:

Course providers may wish to accredit several courses that use the same training materials. The Certification Authority need only assess the materials once.

3.2 Responsibility

Enter the name of the ATC Manager with overall responsibility for the quality and integrity of the Training Course:

Carla Bell

Rationale:

The Organization must designate an ATC Manager for each ATC who is responsible for the operation, quality, and integrity of the ATC. If the ATC Manager role for a given ATC is distributed among several people, the Organization must nominate one person as ATC Manager for the purposes of accreditation.
